

Medtronic

Top 5 Tips

MiniMed™ Mobile and CareLink Connect Apps

1 Flick off the Switch

Ensure that Automatic Updates are turned OFF

2 Remember that username and password

Due to system changes, fixes and enhancements there will be times that will require you to log back in using your current CareLink Username and password. So always make sure this is saved and easy to get when you need it

3 Take a look

Open the Minimed Mobile App every 24hrs to view your latest glucose trends this keeps the app live

4 Be in the know

Follow Medtronic on Instagram @medtronicdiabetesaus to know when you can update your phone software
Opt In to our email list and we will send you emails of future updates and planned maintenance
